The Steps

BARS 1-2
Join right hands over the lady's shoulder (man's arm behind her back) and left hands joined in front. Walk forward for four steps.

3-4
Still moving in the same direction, and without letting go, turn on the spot (so left hand is behind lady and right hand is in front) and take four steps backwards.

5-8
Repeat in the opposite direction.

9-12
Let go of left hands, raise right hands above lady's head. Lady can twirl on the spot. The man may set. Oh, and don't forget to 'whoop' as you twirl. Whooping is always the right thing to do.

13-16
Joining hands in ballroom hold, polka round the room.
